

Groothandelsgebouw Ingang A, tweede etage

Ready for Change Dagbehandeling

Stationsplein 45

3013 AK Rotterdam

Through the main entry take the lift to the second floor. Go through the sliding doors to the balcony and cross to the other side left. Go through the door and turn right in the next corridor to the Ready for Change Dagbehandeling (day care) facility.

If the sliding doors are locked, use the touch screen to call Ready for Change. If that does not work, use the touch screen to call reception and they will open the doors.
